Honorary Chairman
Emery Melanson

Born in the Sunny Brae area of Moncton in 1939, Emery played competitive minor hockey and later senior hockey in Newfoundland while in the Air Force.

Back in Moncton in the late 60's, as a volunteer in the Lewisville Minor Hockey Association, he participated in pick-up hockey games and in 1972, after the Kay Arena was built, tournaments became available and teams were formed to attend.

In 1977 the Moncton Slowpokes Hockey Club was officially formed with Emery as the founding President. At the request of the City of Moncton, as an economic booster, the first Slowpokes Monctonian Hockey Tournament was created in 1979 with 44 teams attending.

His belief was that "Hockey is the reason that teams attend, providing good clean competitive opponents, qualified officials with two linesmen, clean rinks with warm showers and cold beer" has been the key to 43 successful tournaments.

After a successful sales career and ownership of a hardware franchise Emery and Jackie retired and have wintered in Florida since 2005.

They have 3 children, Georges (Tina), a second generation Slowpoke President, André, Margot (Gilles), 4 grandchildren and 6 great-grandchildren.

Thank you Emery and Jackie for being major contributors to the Slowpoke organization!

MONCTON

On behalf of the City of Moncton, it is our pleasure to welcome the players, coaches, and fans of the Mooselight Monctonian Hockey Tournament.
